It is vital that the school is immediately informed if family events/situations occur that cause anxiety to your child and therefore may adversely affect his/her education. All such events/situations will be dealt with confidentially. In all matters pertaining to the wellbeing and education of pupils, only the parents/legal guardians named on the enrolment form will be consulted by staff.

Parent/Teacher meetings

Formal Parent/Teacher meetings will be held once a year for all classes (Circular 14/04). Where possible, they will be held in the first term, towards the end of November for all classes. They will be initiated by the school staff and details regarding time, etc. will be worked out by the class teacher, in consultation with parents. Parents will be given the opportunity to select preferred times on a note from the class teacher. The school will attempt to co-ordinate times where siblings are concerned. Meetings may take place in classrooms, support rooms or the school library. The teachers use prepared guidelines for the meetings and collaborate in advance about the progress of individual children. A short written record of the meeting is maintained by each teacher and kept in the child's file in the office.

The purpose of the Parent/Teacher meeting is:

- To establish and maintain good communication between the school and parents
- To let parents know how their children are progressing in school
- To help teachers/parents get to know the children better as individuals
- To help children realise that home and school are working together.
- To meet demands for accountability
- To share with the parent the problems and difficulties the child may have in school
- To review with the parent the child's experience of schooling
- To learn more about the child from the parent's perspective
- To learn more about parental opinions on what the school is doing
- To identify areas of tension and disagreement
- To identify ways in which parents can help their children
- To negotiate jointly decisions about the child's education
- To inform the parents of standardised test results according to school policy.

Circular 56/2011 Initial Steps in the implementation of the national literacy and numeracy Strategy has been adopted by the Board of Management. References to parent/school communication are:

Reporting to parents

Parents have the primary responsibility for their children's learning and development. Schools can strengthen the capacity of parents to support their children in this way by sharing meaningful information with parents about the progress that children are achieving in the education system. This information needs to draw on the different sources of evidence that staffs use, such as conversations with the learner, data-collection and documented progress on objectives and milestones reached in their short and long-term planning, examination of students' own self-assessment data, documented observations of the learner's engagement with tasks, outcomes of other assessment tasks and tests, and examples of students' work. In turn, parents will often be able to enrich the teaching staff's knowledge of their students' progress through providing further information about the students' learning at home.

Report card templates

Schools will endeavour to help parents to understand fully the evidence of learning that the school reports to them, especially information from any standardised tests. The report cards developed by the NCCA in consultation with schools and parents assist schools in reporting information about the progress of primary pupils to parents, including information from standardised tests.

The report cards provide for reporting in four key areas:

- The child's learning and achievement across the curriculum
- The child's learning dispositions
- The child's social and personal development
- Ways in which parents can support their child's learning

Formal Meetings

Formal timetabled parent/teacher meetings take place in November. However, if a parent wishes to arrange a meeting at any stage during the year to discuss their child, they may do so by prior appointment.

All communication sent from the school will be sent to the child's home address as given on the enrolment form, unless otherwise requested by parents

In the case of separated parents, requests can be made by both parents to meet their child's teacher(s) individually for parent/teacher meetings.

Formal Meetings-IEPs

Formal timetabled parent/staff meetings on the subject of the Individual Education Plan will take place in September/October. However, if a parent wishes to arrange a meeting at any stage during the year to discuss their child, they may do so by prior appointment.

Informal Parent/Staff Meetings

The School encourages communication between parents and staffs.

Meetings with the teachers at the class door to discuss a child's concern/progress are discouraged on a number of grounds:

Staff cannot adequately supervise his/her class while at the same time speaking to a parent

It is difficult to be discreet when so many children are standing close by

It can be embarrassing for a child when his/her parent is talking to staff at a classroom door.

Occasions occur where a parent needs to speak to a staff member urgently. Sometimes these meetings need to take place without prior notice. The principal will aim to facilitate such meetings making every effort to ensure that the children in the class do not lose out on any of the teaching/learning time.

If parents wish to drop in lunch boxes, sports gear etc, this can be done through the secretary's office on Monday, Tuesday and Thursday as it is important to keep class interruptions to a minimum. On Wednesday and Friday the forgotten items should be dropped to the child's class directly.

Parents are strongly discouraged from taking pupils out of school during term time in order to facilitate family holidays.

Complaints Procedure

Complaints are infrequent but the school would wish that these would be dealt with informally, fairly and quickly. The following is the agreed complaints procedure to be followed in primary schools.

Stage 1-informal stage

A parent/guardian who wishes to make a complaint should, firstly approach the teacher with a view to resolving the complaint

Where the parent/guardian is unable to resolve the complaint with the class staff he/she should approach the principal with a view to resolving it

If the complaint is still unresolved, the parent/guardian should raise the matter with the chairperson of the Board of Management with a view to resolving it.

Stage 2-formal stage

If the complaint is still unresolved and the parent/guardian wishes to pursue the matter further, he/she should lodge the complaint in writing with the Chairperson of the Board of Management

The Chairperson will bring the precise nature of the written complaint to the notice of the staff member and seek to resolve the matter between the parties within 5 days of receipt of the written complaint.

Stage 3

If the complaint is not resolved informally, the Chairperson should, subject to the authorisation of the Board:

Supply the staff member with a copy of the written complaint and

Arrange a meeting with the staff member, and where applicable, the Principal with a view to resolving the complaint. Such a meeting should take place within 10 days of receipt of the written complaint.

Stage 4

If the complaint is still not resolved, the Chairperson should make a formal report to the board within 10 days of the meeting

If the Board considers that the complaint is not substantiated, the staff and the complainant should be so informed within 3 days of the Board meeting

If the Board considers that the complaint is substantiated or that it warrants further investigation, the following steps should be followed:

a. The staff member should be supplied with copies of any written evidence in support of the complaint

b. He/she should be requested to supply a written response to the complaint to the Board and should be afforded an opportunity to make a presentation to the Board and to be accompanied by another person to that meeting

c. The Board may arrange a meeting with the complainant, who may be accompanied by another person to this meeting.

Stage 5

Following the Board's investigations, the Chairperson shall convey the decision of the Board in writing to the staff member and the complainant within 5 days of the meeting of the Board. The decision of the Board shall be final.

Behaviour of all Stakeholders in the School

Positive and respectful communication is of high importance to our school. This not only extends to the children but to all of the stakeholders e.g. the staff, parents and the wider community. Anyone entering our building should feel safe to do so. While the behaviour of children in our school is of vital importance, adults in the school community also have a responsibility to ensure their own behaviour models the types of behaviour expected of children.

It is important that all stakeholders are responsible for their own behaviours in the school. Examples include:

All stakeholders are expected to speak to each other with respect. Shouting or other aggressive tones are not acceptable. If a stakeholder displays anger or aggression to another member of the school community, they may be asked to remove themselves from the building. In certain cases, the Gardaí must be called

All stakeholders will treat our children with the utmost respect while on the premises

Staff should not be asked to speak about another parent's child. The staff of the school will respect your child's right to privacy so it is asked that parents respect other children's rights to privacy

When stakeholders meet, it is important to respect that the time of meetings should be kept to a reasonable amount of time. Times of meetings should be agreed beforehand and these should be respected

Staffs are generally available to listen to a quick issue in the morning and after school. However, should a parent need to have a discussion or meeting, an appointment should be made at a convenient time for both parties. This ensures that issues can be resolved. Classes begin at 9:20 am and finish at 3:00pm and this time should not be interrupted.

Safety, Health and Welfare at Work

The Safety, Health and Welfare at Work Act became operative on 1 November 1989. It is an important piece of legislation for BoMs and for those who work in schools, as schools and colleges were brought under the scope of safety legislation for the first time.

It is recognised that school staff may be at risk from violence in the form of verbal abuse, threats, assaults or other forms of intimidation. This behaviour may come from pupils, parents, guardians, other staff members or intruders.

In this respect, all staff should be aware of DES Circular 40/97 which deals with the procedures to follow if they feel they have been subjected to any of the above behaviours. A copy of this circular can be found in the school's Health and Safety folder.
